Petition to the City Council of Perryville, Arkansas

We, the undersigned trustees, acting on behalf of First Baptist Church of Perryville, Arkansas, petition the Perryville City Council to close and vacate Third Street for one block. The one block is between Magnolia Street and Pine Street. First Baptist Church now owns all of the property on the north side of the particular section of Third Street and has entered into a contract to purchase the property on the entire south side of the same particular section. The section of the street has not been developed nor has it ever been regularly used.
